TERRITORIAL ATIPP OFFICE SUPPLIMENTAL NOTES REVIEW REPORT: 21-191

FOR: The Department of Education

PURPOSE: The Territorial ATIPP Office recognizes that the Information and Privacy

Commissioner's Review Reports often contain recommendations that serve more than solely the responding department. These notes are intended to support the responding department by discussing Government

of Nunavut wide implications and the next steps.

DATE: March 15, 2021

The Territorial ATIPP office has reviewed the Department of Education's response to the IPC's recommendations. This office notes that the recommendations have been accepted and will help the department adhere to the commitments made if consulted. Should any consequential issues arise, this office will work with the department and the ATIPP Coordinators Committee to find resolution.

Over the course of this review report the IPC discusses the parameters for conducting a diligent search. As best practices are a GN wide concern, this office has added a discussion item on setting and implementing a standard to the agenda of next ACC meeting.
